Quiktron's Value Series Booted Cat5E Patch Cords are the perfect solution for distributing data, voice and video while keeping costs at a minimum. Our quality import cables are constructed with high-quality wire and a shortened body plug, these Cat5E patch cords keep Near-end Crosstalk (NEXT) levels to a minimum while providing the necessary bandwidth to support mission-critical applications.

- Factory terminated for superior performance
- Meets or exceeds industry standards for NEXT and return loss
- Also available in non-booted in a large variety of colors
- Made with 24 AWG, stranded copper (7 X 32), four twisted pairs
- Lifetime warranty
